2010-2011 SEASON

**You May Think You Can
Live Without a Season Ticket...
But WHY TAKE THE CHANCE?**

Out of Order
(Comedy) by Ray Cooney

Directed by Mark Hilgert **September 17-26, 2010**

Out of Order is a farce written by English playwright Ray Cooney. As many other Ray Cooney plays, it features a lead actor (in this case a junior UK minister) who has to lie his way out of an embarrassing situation (in this case a planned adultery with a secretary) with the help of an innocent side-kick (in this case the minister's personal private secretary) who gets more and more embroiled in the increasingly tangled tale improvised by the lead character as events unfold. The action takes place in a suite in a posh London hotel and revolves around accidents caused by a defective window sash.

Forever Plaid: Plaid Tidings
(Musical) by Stuart Ross

Directed by Liz Enloe **November 12-21, 2010**

Plaid Tidings offers the best of **Forever Plaid** tied-up in a nifty package with a big Christmas bow on top. Filled with Christmas standards that have all been "Plaidized," our boys are back to do their Christmas Special. At first they aren't sure why they've returned, but a phone call from the heavenly Rosemary Clooney lets them know that they're needed to put a little harmony into a discordant world.

Kindertransport
(Drama) by Diane Samuels

Directed by Lee Cox **January 14-23, 2011**

A touching piece of history concerning the thousands of children who were evacuated to England from Germany in an attempt to "save them" from the Holocaust. The theatrical interpretation goes beyond history and examines the pain and passion of all mother/daughter relationships.

King O' The Moon
(Family Comedy) by Tom Dudzick

Directed by Diana Enloe **March 11-20, 2011**

It's the irreverent '60s...1969 to be exact. And in this hilarious and moving sequel to last year's hot production of **Over the Tavern** the absolute certainties of the '50s are swept away in a tidal wave of revolution, rebellion and protest. Apollo 11 is about to land on the moon.... while the Pazinski family is just hoping to land on their feet.

Curtains
(Murder, Mystery, Musical...Comedy)
Music and Lyrics by Kander and Ebb
Based on book by Rupert Holmes

Directed by Sue Mueller **May 13-22, 2011**

Curtains is a musical send-up of backstage murder mystery plots, set in 1959 Boston, Massachusetts and follows the fallout when the supremely untalented star of **Robbin' Hood of the Old West** is murdered during her opening night curtain call. Can a police detective who moonlights as a musical theatre fan save the show, solve the case, and maybe even find love before the show reopens, without getting killed himself?

And, a Bonus Show Free to Season Ticket Holders....

Shirley Valentine
by Willy Russell

February 10th-13th, 2011

A one-woman play taking the form of a monologue by a middle-aged, working class Liverpool housewife, focusing on her life before and after a transforming holiday abroad.
